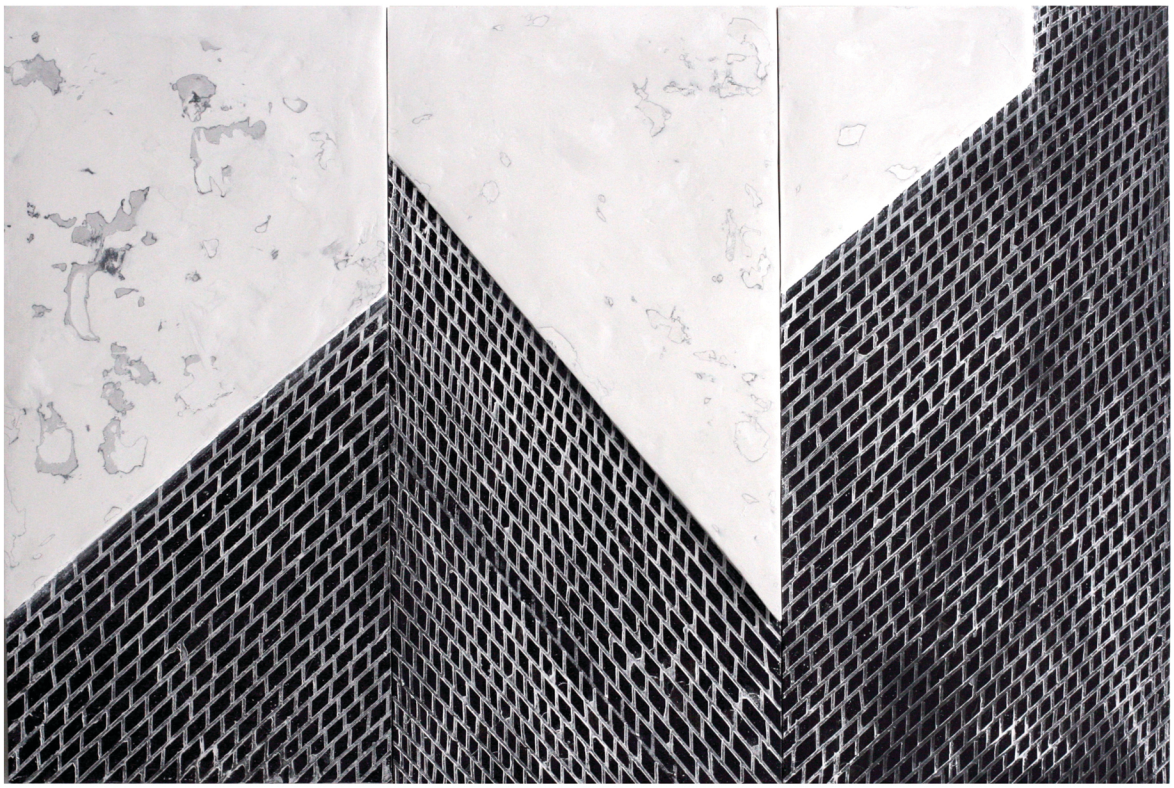
HEEJUNG CHO



Gallery HO is thrilled to announce that our representing artist, Heejung Cho, is now part of The Museum of Arts and Design's Artist Studios program. The Artist Studios is an educational space that fosters dialogue between artists and the public where the artists produce their work in a public environment. You can visit the Artist Studio on the sixth floor of The Museum of the Arts and Design to talk with Heejung Cho about the process, materials, and concepts of her work. Her studio hours are on Saturdays from 10:00 am to 5:00 pm.
